"Wow what a plot!" "Jaw-dropping." "Suspense from the first chapter to the last word." "Twist after twist." — Amazon readers

One of LA's most powerful men is charged with murder, and criminal attorney Brad Madison is called to defend him. But murder is only the start of their problems... In this first instalment of the Brad Madison novel series, Madison finds himself defending Patrick Strickland against a mounting evidence base. Despite Strickland claiming he has no criminal connections, there are clear signs his involvement in organized crime runs deep. When the case receives national attention, the underbelly of power in LA is thrown into the limelight. Madison fights desperately to find the one piece of evidence that will prove his client's innocence. But where's there's power, there's danger. The further Madison digs for the truth, the more he puts his life at risk. In a case full of twists and turns, Madison confronts one of the most difficult challenges of his career. Will justice triumph? Or will the power of LA's dark forces send Madison to an early grave? Five-star praise for Force of Justice: "Wow what a plot! True Hollywood stuff. I worked in Hollywood for several years and this all rings very true. Great characters and very well written. Great read." — Paul "Jaw-dropping. Interesting from the very first page. Great character development. Unbelievable ending. Just when you think you know what's next, you're in for a surprise." — Metermaid "Good legal thriller! This is one of those books that keeps you reading and at the end, all you can say is Wow! Looking forward to reading more from J.J. Miller." — Lintop "Suspense from the first chapter to the last word of this book. I could not put the book down (well, kindle). Several plots seemed to unravel and I was captivated." — Sandy "Twist after twist. Just great reading! Hungry for more JJ Miller." — Claire "Wow!!!! I didn't see that one coming at me head on!!!! Very good, very well done, very suspenseful. I pretty much read in one day." — GDPLewis "I loved the story, couldn't put it down. I think five stars are not enough. I will definitely read his next book, and I hope it is in the works." — Lenore "What a good book. I have read over 200 books lately mostly legal thrillers. This book had me turning page after page not wanting to stop till the end. Keep up the good work J.J. Miller. Can't wait for your next one." — Markel "Twists all over. Well written story, featuring a likeable defense attorney, a high powered Hollywood milieu, and several big personalities, all jockeying to come out on top." — Louise "Absolutely Awesome Legal Novel!!!! This is book which is difficult to stop reading. It is easy to read but filled with so many twists and turns. The ending is a real surprise. I read his first book "Code of Justice" which was also a real page turner. I have searched several times to see if he had written another book. I was delighted when I discovered he had written another book. I gave it the 5 well deserved stars. I HIGHLY RECOMMEND THIS AUTHOR!!!!" — PHall "Great read. A true legal thriller in every sense of the word. Fast paced and great twist. Loved the characters." — Peter "I hope there are more books to come! I read this book so fast. I couldn't put it down. What a twist at the end I never expected. I hope there are more books coming with Brad!!!" — Jacki "Great story. I thoroughly enjoyed the story as it held my interest and I had a hard time putting it down. Thanks for a great read" — Betty
