CONTINUE ►

This journal is the perfect family keepsake. A place for parents and children to share the evolution of thoughts, feelings, and dreams over the years. Or a journal for kids who want to keep a time capsule of their own ideas about the world - whimsical or serious. Children's author Betsy Franco poses a question each day with only a few lines provided for a response, making this journal the ultimate no-fuss record keeper. Simply turn to today's date and record your child's answer. When you finish the year, move on to the next section. The diary can be started on any day of the year and makes a terrific keepsake or gift for parents. As the years go by you'll notice how your child's answers evolve, sometimes silly, sometimes precocious, but always interesting.
