

CONTINUE ►

Ted Shepard had seen many deaths over his ten years as a bounty hunter and then as a United States Deputy Marshal, but none had come close to affecting him as much as this one. He didn't know if he could go on any longer, but it would take a visit from the one person to get him to return to the job, and a return to his hometown of Wilmore, Kansas to bring him back to being the same person he had been before.
