How do you fix a broken story? In this fallen world, life is often not how we thought it would be. Jobs vanish, relationships crumble, health fails. How do we find the hope to persevere? We can make sense of our broken stories by seeing them in the context of a larger and greater story. Kenneth Boa shows how God can transform our lives with an eternal perspective, when we live with the end in mind. In light of eternity, our struggles are temporary and our plot twists are not fatal. We are hard-wired by God with eternity in our hearts, and that longing gives us purpose, blesses others and helps us make a lasting mark on the world. Knowing our future is crucial to living our present. When we see our stories within his greater story, we learn to live with a heavenly perspective and follow it all the way home.
