When movie star Noah Armstrong shows up at the big cat sanctuary Lauren Ambrose runs with her parents, she can't believe her eyes. What is a gorgeous, successful actor doing in her middle-of-nowhere town? Lauren has seen every movie Noah's ever said so much as a word in, but as she gets to know him, the stars leave her eyes and she finds the kind and selfless man behind the image. Since his last relationship exploded in his face, Noah's been focusing on work and family. That is, until Lauren Ambrose arrives in his life. She is different from any woman he's ever met and, even though she lives on the opposite side of the country, he is determined to make things work between the two of them. They are perfect for each other and everything seems to be going smoothly...but there's someone out there who will do everything in her power to make sure this love story never gets its happily-ever-after. Will she succeed or will love prevail?
