From two noted learning specialists, here is the amazing, scientifically proved Azrin-Foxx method that teaches potty training quickly—in less than four hours for the average child. The classic guide used by millions of parents! Make potty training a total success—in only a few hours! After that rewarding learning period, he or she will willingly use the toilet without assistance or a reminder! Also inside is a wealth of information on related topics, including: • Unexpected benefits—your child's newfound pride and independence can increase eagerness to feed and dress him- or herself, and improve responsiveness to parental instruction • Pre-training techniques every parent should know • Bed-wetting problems—and how this method can help end them • Happy children, happy parents—how mastering potty training benefits the whole family, increasing parents' personal time and deepening the parent-child connection. With more than 2 million copies sold, Toilet Training in Less Than a Day is the one guide you'll need to make this significant transition a rewarding and pleasurable experience—for both you and your toddler!
