Designed for the fridge—but also a great fit for a wall or desk—THE KITCHEN COMPANION Page-A-Week Calendar combines charming illustrations by Claudia Pearson with no-nonsense organization throughout the year. Each week's tear-off spread boasts a roomy write-in grid for jotting down appointments, reminders, and notes; a market list (so you will never again go to the store and forget to buy milk); three full-month reference grids; plus a handy cooking, cleaning, or hosting tip. Assemble a crowd-pleasing cheese plate (it's all about mixing hard and soft textures). Clean wooden cutting boards by sprinkling them with coarse salt, then massaging them with half a lemon. Illustrated in upbeat colors and retro-inspired wallpaper patterns, it's a cheerful and reliable kitchen assistant, all year long.
