

# DIAbQ [Download] How to Draw People (Dover How to Draw)

**CONTINUE ►**

By joining circles, ovals, rectangles, cylinders, and other common shapes, even the budding artist can easily create 30 different characters — a fireman, a drummer, a mailman, a cowboy, an astronaut, a roller-skating girl, a boy on a swing, and more. Simple directions, step-by-step illustrations, and blank practice pages make it even easier. You can color the pictures when you are done — it's a fun-filled way to teach art to young children or a beginner that enjoys drawing.
