"For over twenty years, I've been lied to--magic burns within my veins, and I'm unable to resist its call." Mirella wants to be a normal college student ... but she's far from normal. Since she was born, her mother has been hiding the truth. Mirella is a descendent of a powerful bloodline that spans centuries, a bloodline that gives her an uncontrollable sixth sense. Masked men desire her blood. Strangers long for her to join their cause, and a gorgeous man with magic of his own seeks to forge a forbidden bond between them. For Mirella, there is no escape. Bodies surface, and killers run rampant as her people are hunted and slaughtered. Mirella is the only one who can save them. Trapped in a life she doesn't want, Mirella must find the strength to summon the power inside of her--or risk the extinction of her kind. An exciting and heart stopping urban fantasy novel, Heart Seeker is the first book in the brand-new series, The Fire Heart Chronicles.
