

## [GET] Spilled Milk: Based on a True Story

**CONTINUE ►**

Brooke Nolan is a battered child who makes an anonymous phone call about the escalating brutality in her home. When social services jeopardize her safety, condemning her to keep her father's secret, it's a glass of spilled milk at the dinner table that forces her to speak about the cruelty she's been hiding. In her pursuit of safety and justice, Brooke battles a broken system that pushes to keep her father in the home. When jury members and a love interest congregate to inspire her to fight, she risks losing the support of family and comes to the realization that some people simply do not want to be saved. Spilled Milk is a novel of shocking narrative, triumph, and resiliency.
