The New York Botanical Garden is an iconic living museum and, since its founding in 1891, has served as an oasis in this busy metropolis. Original botanical illustrations from their historic collection are featured in this detail-oriented 12 month planner. Keep things organized with our week by week format and handy to do lists. Multiple features include spiral binding and a handy inner pocket for organizing receipts and loose papers. The week-by-week format includes "to do" lists with extra planning pages in the back to help organize your busy life.
