Journal for writing This blank 120 page journal will jump start your creativity with hand drawn ballerina with watercolor soft cover. It can also be used for notes, as a diary or just for writing down important information. The act of writing accesses your left brain, which is logical and rational. While your left brain is occupied, your right brain is free to create, discern and feel. In sum, writing removes mental blocks and allows you to use all of your brainpower to better understand yourself, others and the world around you. Paper journals never need to be charged and no batteries are required! You only need your thoughts and dreams and something to write with.
