**CONTINUE ►**

The Digital Life Insurance Agent is the essential guide for life insurance agents of all skill levels to transition into the digital age. This book outlines the steps new agents need to take in order to get their business up and running, and will also help experienced agents who want to transition their business online. The Digital Life Insurance Agent provides a roadmap to building a predictable lead flow using online prospecting techniques, training on how to sell over the phone and basic training to get newer agents set up. If agents have the desire to change and the discipline to make it happen, the end result of executing the strategies outlined in this book will leave agents with a marketing machine that generates leads at all hours of the day, regardless of if the agent is sitting at the office, or on a beach!
