A scuba-diving adventure leads to an unlikely investigation as Wooton and Penny try to find the owner of a camera they discovered at the bottom of Trickle Lake. And that's not the only long-hidden secret being uncovered in Odyssey! When Whit sends Olivia and Matthew on an Imagination Station adventure to Old Testament days, the pair discovers that their heroes have unpleasant dark sides too. The Jones & Parker Detective Agency investigates an author's long-lost final manuscript and discovers that the mystery may be bigger than they ever imagined. And after Buck laments his lack of family connections, Eugene takes him on a road trip to find more about the boys' bewildering personal history. In these six thrilling adventures, you'll discover the reason millions of people can't wait to hear another exciting adventure in Odyssey!
