Journalist Rick Bowers has contributed to Time, The Washington Post, and USA Today, and his fascinating Spies of Mississippi-about the spy network that tried to take down the Civil Rights Movement-earned a starred review from Booklist. Here, Bowers examines how, in the late 1940s, The Adventures of Superman radio show struck a powerful blow against the Ku Klux Klan when Superman aired episodes pitting the hero against the Klan in an effort to teach young listeners to stand up to bigotry.DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
