CONTINUE ►

Featuring nine colorful tabbed sections to correspond to each month, this journal offers smart prompts to help a busy mom-to-be capture all those important milestones and funny moments before pregnancy amnesia sets in. You'll find pages for writing about the first time the baby flutter, space to vent about the crazy and unsolicited advice you've been getting, and monthly "check-in" pages for belly photos and quick notes about whatever particular thoughts and feelings this special time brings to mind.
