One woman takes hold of her legacy in an epic tale of Viennese romance, deception, and danger. Vienna, 1892. Against all odds, at the height of Belle poque splendor, Anna Sacher has taken possession of her late husbands hotel, across the street from the famous opera house. At a time when controlling such a business was an opportunity afforded only to men, Anna is as vigilant as she is relentless. Now, under her ownership, the Hotel Sacher thrives amid the tumult of a changing continent, even as intrigue follows in the shadows. Through its opulent halls stride visitors from all walks of life, including some of the most glamorous figures of Viennese societyopera singers, princes, princessesand the maids and manservants who wait on them. Some guests will find romance. Some will unearth secrets. And some will discover much more than they expected
