This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For undergraduate courses in Health Education, Promotion, and Planning. Provide Students with the Tools They Need to Be Successful in Health Promotion Planning, Implementing, and Evaluating Health Promotion Programs: A Primer provides students with a comprehensive overview of the practical and theoretical skills needed to plan, implement, and evaluate health promotion programs in a variety of settings. The Seventh Edition features updated information throughout, including the new Responsibilities and Competencies generated from the Health Education Specialist Practice Analysis–2015 (HESPA-2015), and reflects the latest trends in the field.
