Waterproof Tear-Resistant Travel MapLet National Geographic's Iceland Adventure Map guide you as you discover the pristine nature and unique scenery on this Nordic island. The expertly researched map, with its accurate and detailed information, is designed to meet the needs of adventure travelers. In addition to a clearly marked road network, with distances and destinations of both major and main roads, the map also delivers an abundance of specialized content not found in traditional road maps. An index of cities and towns will help you arrive at your destination quickly. Recreational, ecological, cultural, and historic points of interest as well as secondary roads, remote tracks, secluded paths and ferry routes will aid in your exploration both on and off the beaten path. Among the pinpointed points of interest are hot springs, geysers, waterfalls, caves, museums, lighthouses, swimming pools, golf courses, campsites and scenic viewpoints. Also labeled are the UNESCO World Heritage Sites, Thingvellir National Park and the volcanic island of Surtsey. The shaded relief map details the entire island, contour lines are drawn, peaks and summits are labeled with elevations, forested areas are shaded, water features are shown and boundaries of National Parks and nature reserves are color-coded, making it the perfect companion to any guidebook. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel.
