Written by two professionals who have "been there and done that" with their own sons with ADHD, "Raising Boys With ADHD" empowers parents to help their sons with ADHD find success in school and beyond. The book covers topics not often found in other parenting guides such as the preschool years and early diagnosis and strategies for teens transitioning to work and college. Filled with practical knowledge, resources, and tools needed to help parents address the many strengths and challenges of boys with ADHD, this book provides parents with encouragement and hope for the future.
