This book reminds us of: Ivan Ramen meets Barefoot Contessa: How Easy is That? with some of the ballsiness and spunk of Joe Beef. Food52.com Beholden to bold flavors and not strict authenticity, the editors of Lucky Peach present a compendium of 101 easy, Asian recipes that hit the sweet spot between crave-worthy and stupid simple and are destined to become favorites. Your friends and lovers will marvel as you show off your culinary worldliness, whipping up meals with fish-sauce-splattered panache and all the soy-soaked, ginger-scalliony goodness you could ever want all for dinner tonight. You'll never have a reason to order take-out again.
