Welcome to a London Gaming Hell like no other. A place where anonymity is your security—no names, no faces, no strings. But that doesn't mean no surprises . . . Lucas Mayfield, the Eighth Earl of Heightford, couldn't be more pleased with the private club that is his brainchild. But when a young courtesan at the club's masquerade appears far too innocent, his suspicions are raised—along with his interest. . . . Until her gleaming hair tumbles down and he recognizes her as the Duke of Chatterwood's beautiful daughter. How did the minx even know the place existed? And how has he allowed himself to give in to temptation and kiss her? More perplexing: she has vowed the kiss won't be the last . . . Lilia Durary's father has cruelly demanded she marry her best friend, Meyer, though no romantic feeling exists between them. In fact, Meyer and Lilia's other best friend, Rebecca, are truly in love. Lilia sees only one option: She and Meyer will maintain a platonic marriage until some other arrangement can be made. Still, she intends to experience pleasure before she is wed. An intriguing new club seems the perfect place—and when Lucas Mayfield kisses her, he seems the perfect other arrangement she seeks. All Lilia has to do is convince him . . . "Obsessed. That's how I felt while reading this book, like every page was better than the previous. Just try to put this down, I dare you."—#1 New York Times bestselling author Rachel Van Dyken on *Heart of a Cowboy*
