A RIVETING SERIAL KILLER THRILLER Her beautiful face, serene and immobile, resting on her folded arm. Her long, luscious hair, undulating gently in the evening breeze. Her eyes half-closed, a hint of a smile on her pale lips, as if to welcome an unseen lover. When the body of a young woman is found in her own backyard, a week after her disappearance, evidence leads investigators to a chilling conclusion. She is not the first victim of a serial killer no one knew existed. She most definitely is not the last. FBI Special Agent Tess Winnett joins the local detectives assigned to the case and searches for answers in the intriguing investigation that offers a plethora of forensic evidence, yet no viable leads. When another body is found, the search intensifies, and details about the killers unusual signature emerge. He likes to stalk his victims before abducting them. He likes to show them a flash of what's coming, a foreboding warning of their grim future. At first, she caught a glimpse of a man, standing in the shadows, watching her. She thought she saw his eyes, and the sight of them chilled her to the bone. She saw his hands, and they were the hands of a killer. She caught a Glimpse of Death. Join smart, relentless Tess Winnett and her seasoned team on a heart-stopping hunt for a serial killer, who mercilessly takes lives, preying on young, unsuspecting mothers. Resourceful, creative, and uncompromising, Tess will stop at nothing to catch the killer before he shatters another innocent life, taking readers on a memorable, white-knuckled journey in this masterful, riveting, serial killer thriller. The best-selling author of Dawn Girl and The Watson Girl is back with another suspenseful, riveting crime thriller. If you're a fan of intense, fast-moving police procedurals, you will enjoy reading Leslie Wolfe. What Readers Say About Leslie Wolfe -- Leslie Wolfe has the talent that is comparable to the likes of a Tom Clancy or a Michael Crichton, or even James Patterson. - Dennis Waller -- Wolfe keeps readers turning the pages... - Kirkus Reviews -- Leslie Wolfe knows how to blend advanced technological data with powerfully written human behavior responses and the result is a novel that few will want to put down once the story begins. -- Grady Harp-- Congratulations, Leslie Wolfe, for what I believe could be a hit series! - Christine Terrell -- "Verdict: A phenomenal novel that will keep you on the edge of your seat. I highly recommend it!" -- KWNYPublicity Readers and Critics Talking About Leslie Wolfe Novels-- Written beautifully by an author who really has an insight into the warped mind of a serial killer. -- Grabs your emotions and hits you hard in the gut. And just hold on tight until the end! -- Now this was a real smoker, really kept it moving, very well written. Guess I better find out if my wife is talking to me. -- Whether you're a fan of thrillers, police procedurals or just a really good and unusual book, this is one that you will enjoy. -- This story has one of the best plots I've read in a long time. -- From the beginning to the last page her novel manages to keep readers attention, delivering intrigue, thrill and suspense. -- An impressive amount of suspense throughout. -- As soon as I picked it up, I couldn't put it down! Full of suspense and keeps you at the edge of your seat. I loved it!-- As a long-time fan of Tom Clancy's early works and Dan Brown's techno-thrillers, it makes me proud to see a woman stepping so confidently into this male-dominated arena. Well done, Leslie.
