Its like a museum for the desktop, with a year of stunningly curated fine art and design works across multiple media. Each image is gorgeously reproduced, capturing rich color and fine detail to bring you closer to the masterpieces. Surreal cityscapes and contrasting textiles in Faith Ringgolds silkscreened quilts. Clean lines and minimalist design in a 1960s German Nordmende Radio. From the early Roman period, a bust of Pericles that emanates calm strength. Light-drenched domestic scenes in paintings by Vermeer. And timeless Renaissance classics like Raphaels Triumph of Galatea fresco and Botticellis Allegory of Spring. Display and admire this inspiring collection of diverse cultural traditions year-round.
