Overlooking the wild, capricious sea, lighthouses have helped countless ships to safety. Although many have now been decommissioned, and almost all are completely automated and require no watchman, these beacons remain an unmistakable and much loved feature of maritime landscapes. This mini wall calendar offers a beautiful collection of historical and scenic lighthouses. Includes a free download of the TravelDays™ app for the smartphone and tablet, which grants access to the world's best destination photos and backgrounds, fun puzzles, and a calendar featuring picturesque places that will transport you from the day-to-day to the truly memorable. BrownTrout is committed to sustainability.
