

[Free PDF File] Questioning Protocol: How to navigate the healthcare system with confidence

CONTINUE ►

Questioning Protocol is an intimate portrait of how one mom navigates the health care maze when her teenage son's Crohn's Disease brings everyday life to a screeching halt. It is a healthcare solutions book from a mom's perspective. Randi Redmond Oster shares the tips, tools, and tricks from her corporate experience, engineering skills, and compassion for her son, for navigating the broken healthcare system.* Learn how she maintains control when her healthcare crisis seems overwhelming.* Discover how she creates a high-performing healthcare team focused on her son.* Understand how she manipulates the hierarchy of the healthcare system to help improve her son's care.* See how she finds ways to feel grateful, even when her world seems upside down.
