So we purr, cara cara, and we glide, taka taka, and we zoom, zoom, ZOOM! Together, a boy and his parents drive to the city of Havana, Cuba, in their old family car. Along the way, they experience the sights and sounds of the streets?neighbors talking, musicians performing, and beautiful, colorful cars putt-putting and bumpety-bumping along. In the end, though, its their old car, Cara Cara, that the boy loves best. A joyful celebration of the Cuban people and their resourceful innovation.ALSC Notable Book
