Insights and provocations from world-renowned brand consultants, thought leaders, designers, and strategists. We are now living in a world with over 100 brands of bottled water. The United States alone is home to over 45,000 shopping malls. And there are more than 19 million customized beverage choices a barista can whip up at your local Starbucks. Whether it's good or bad, the real question is why we behave this way in the first place. Why do we telegraph our affiliations or our beliefs with symbols, signs, and codes? Brand Thinking and Other Noble Pursuits contains 20 interviews with the world's leading designers and thinkers in branding. The interviews contain spirited views on how and why humans have branded the world around us, and the ideas, inventions, and insight inherent in the search.
