Is the world changing faster than you can keep up? Return to a simpler time with this treasure trove of antique maps for your enjoyment in 2016. The world may be changing for us, but when you look at how people thought our planet earth looked centuries ago, you start to really appreciate what it is that is changing. Point of view is everything and this beautiful collection of antique maps will step you through 12 months of how our perspective of the earth we call home has changed over the years. Our wall calendars feature a three language calendar grid (English, French, Spanish), a colorful interior grid, and the phases of the moon.
