

62bBF [Download] Wisdom of the Buddha: The Unabridged Dhammapada (Dover Thrift Editions)

CONTINUE ►

Few of the sacred texts of the world's great religions present their wisdom with the clear simplicity of the verses of the Buddhist Dhammapada, or Path to Virtue. Its direct style, clarity, and beauty place it at the forefront of Buddhist sacred literature, and its noble intent raises it to the highest level of humanity's spiritual guides. Easily accessible to any reader, the Dhammapada offers a wealth of wisdom for the novice, as well as the most ardent and experienced of spiritual seekers. Gathered by Buddhist masters into related groups — "On Earnestness," "Flowers," "The Fool," "The Wise Man," "Happiness," "Pleasure" — these ancient texts transcend the limitations of time, tradition, and culture to express the ethical principle underlying all wise and compassionate philosophy and conduct. Here are the Four Truths that reveal the nature of the world and our lot in it; here also is the Eightfold Path, the way to enlightenment, incorporating the means to overcome the essential suffering revealed by the Four Truths as the essence of life. The Dhammapada serves as a coherent summation of the necessities for following the Eightfold Path as well as an encouraging and thought-provoking resource to consult along the way. Expressed with great beauty and translated with painstaking scholarship, this classic guide is certain to stimulate, challenge, and inspire

students of religion and philosophy as well as all who thirst for enlightenment.
