As a barrel racers, we put a lot of time, expense and effort into improving our skills and developing our horses. But even when we seem to be doing everything right on the outside, it's not uncommon to continuously miss the mark in competition. When this happens, the problem often lies in the rider's inner, mental game - the aspects of competition that aren't always easy to see, but have an even greater impact on the end results. Finally, The Confident Barrel Racer book is available to assist barrel racers in truly becoming more confident from the inside out. The Confident Barrel Racer covers these eight key areas, and concludes with two special bonus sections:
