If you thought that changing the dress code in Dilbert's workplace to "corporate dorky" would boost morale and improve efficiency...you may be in management. Or just deluded. Dilbert swapped his unruly tie for a badge and lanyard, but his Pointy-Haired Boss still tries to lead by buzzword, Wally keeps working hard at being useless, and Alice just keeps working at keeping it together. Whether you rock polos and khakis or full-on business suits, the Dilbert 2018 Day-to-Day Calendar, which features a Dilbert strip on every page, will make sure your sense of humor is sharp (even if your wardrobe isn't).
