CONTINUE ►

Sharky Malarkey follows the adventures of Bruce, a washed-up shark actor, and a colorful assortment of dysfunctional people, animals, and inanimate objects. Bruce is equally outlandish and relatable—he's vain but insecure; hotheaded but cowardly; craves attention but fears intimacy—his over-the-top antics are all too human. Based on Megan Nicole Dong's popular webcomic, Sketchshark, her debut print collection mines the absurd in everyday life.
