Few things on the high seas are more dramatic than the great clouds of sail raised by traditional full-rigged ships. This edition of Tall Ships features the giant Kruzenshtern, the elegant Dutch Gulden Leeuw, the Imperial Russian Navy reproduction Shtandart, the famously photogenic Norwegian Christian Radich and more. Sales of the calendar benefit Tall Ships America that supports sail training and education under sail. 13.75 x 20.6 inches, open.
