Women past a certain age often feel like they are fading into the background of life. The nest is emptying, limitations are increasing, and fear about aging and the years ahead grow. Even women of faith can feel a waning sense of value, regardless of biblical examples of godly women yielding fruit long after their youth is gone. But despite a youth-obsessed culture, the truth is that the second half of life can often be the richest. It's time to stop dreading and start embracing the wonder of life after 40. Here, well-known women of faith from 40 to 85 tackle these anxieties head-on and upend them with humor, sass, and spiritual wisdom. These compelling and poignant first-person stories are from amazing and respected authors including: Lauren F. Winner, Joni Eareckson Tada, Elisa Morgan, Madeleine L'Engle, Kay Warren, Jill Kandel on 'Tilting Toward' and on 'The Legacy We Leave Behind.' These women provide much-needed role models--not for aging gracefully but for doing so honestly, faithfully, and with eyes open to wonder and deep theology along the way. Each essay provides insight into God's perspective on these later years, reminding readers that it's possible to serve the kingdom of God and His people even better with a little extra life experience to guide you. The Wonder Years is an inspiring and unforgettable guide to making these years the most fruitful and abundant of your life.
