Three months and counting until I leave this city behind. The place I had dreamed of building a life, until it all fell apart. Too many bad dates to count. A broken engagement. A job I don't love. And how do I celebrate? Being stood up by a blind date. And then he showed up. The hot stranger that rescued my night. I'd take his pity, and so much more. Declan Erikson is all that's on my mind, but everything I don't need. Tall, dark, handsome and rich with a heart of gold. I thought I had made up my mind, But I'm finding it growing harder to make the right decision. Especially, when he's promised to give it all to me. One Last Time is a standalone billionaire romance and is Book 4 of The Ironwood Billionaire Series.
