Enter the woods...if you dare. For centuries, the woods have been a pivotal part of the wonder and danger of fairy tales, for once you enter anything can happen. Elves, druids, fairies - who knows what you will find once you dare step into the forest? And now, New York Times best-selling author Kim Harrison ventures into these mysterious, hidden lands of magic and mystery in her first short-story collection. Into the Woods brings together an enchanting mix of brand-new, never-before-published stories and tales from Harrison's beloved, best-selling Hollows series. The tales here include an original Hollows novella, "Million-Dollar Baby", about Trent Kalamack's secret elven quest in Pale Demon; two original short stories, "Pet Shop Boys" and "Temson Woods," that explore just what happens when humanity and the supernatural collide; and two novelettes, "Spider Silk" and "Grace," set in new worlds of imagination and adventure. Into the Woods also contains all of the previously published Hollows short stories - together in one volume for the very first time. Step into the woods and discover the magic for yourself.
