Completely Revised and Updated edition of the best-selling Super Baby Food! 2014 Family Choice Award Winner, Gold /1st Place winner Feathered Quill Award in the non-fiction Informational Category, Gold Medal Winner of 2013 Mom's Choice Award in the Parenting Health, Nutrition, Fitness & Safety category. Parents know that you get only one shot to feed your baby right and Ruth Yaron has been helping parents get it right for over 15 years. Ruth's book, Super Baby Food, is affectionately referred to as the baby food bible by over half a million parents worldwide because it literally contains everything you will ever need to know about feeding a baby and toddler. It features, for example, a very special type of baby cereal she calls Super Porridge. This is definitely not your mom's powdered white rice baby cereal. We are talking about organic, whole grains and legumes, blended and boiled at home with a bit of nutritional yeast and/or tahini sprinkled in for an extra nutritious touch. Sound like too much hassle? Ruth makes it simple and that's just one reason it is truly Super Baby Food! The new edition is filled with the same sound guidance the book has always had, and supplemented with the latest advice from the experts, including the USDA MyPlate and American Academy of Pediatrics recommendations. The book is filled with new recipes, new resources, and ways to connect with rapidly growing Super Baby Food communities online, all in an easy-to-navigate format.
