

[GET] You Can't Touch My Hair: And Other Things I Still Have to Explain

CONTINUE ►

A New York Times Best Seller "A must-read...Phoebe Robinson discusses race and feminism in such a funny, real, and specific way, it penetrates your brain and stays with you." (Ilana Glazer, cocreator and costar of *Broad City*) A hilarious and timely essay collection about race, gender, and pop culture from upcoming comedy superstar and *2 Dope Queens* podcaster Phoebe Robinson Being a black woman in America means contending with old prejudices and fresh absurdities every day. Comedian Phoebe Robinson has experienced her fair share over the years: She's been unceremoniously relegated to the role of "the black friend", as if she is somehow the authority on all things racial; she's been questioned about her love of U2 and Billy Joel ("isn't that...white people music?"); she's been called "uppity" for having an opinion in the workplace; she's been followed around stores by security guards; and yes, people do ask her whether they can touch her hair all. The. Time. Now she's ready to take these topics to audio - and she's going to make you laugh as she's doing it. Using her trademark wit alongside pop-culture references galore, Robinson explores everything from why Lisa Bonet is "Queen. Bae. Jesus" to breaking down the terrible nature of casting calls to giving her less-than-traditional advice to the future female president and demanding that the NFL clean up its act,

all told in the same conversational voice that launched her podcast, 2 Dope Queens, to the top spot on iTunes. As personal as it is political, *You Can't Touch My Hair* examines our cultural climate and skewers our biases with humor and heart, announcing Robinson as a writer on the rise. One of *Glamour's* "Top 10 Books of 2016" Featured on *Refinery 29's* list of "The Best Books of 2016 So Far" Read by the author, and featuring additional narration by Jessica Williams and John Hodgson
