My life is a friggin fairytale just not the kind any single girl would ever want to star in. Laney: Like any good heroine, I've got a few challenges to face. Getting my son to wear pants is one; dealing with my snoozefest of a job is another. Then there's the Beast, my freeloading brother who's worn a permanent dent in the couch at my new place. And no fairytale would be complete without a smoking hot prince, of course. Too bad he's a complete ass. Everything in me screams to steer clear of Nate Murphy. Because, if life has taught me anything, there is no such thing as happily ever after. Nate: I may not be a superhero, but I do my best to come to the rescue when I'm needed. And, hey, I just moved halfway across the country after a single phone call from my mom. But being back home and taking on the responsibilities involved makes me a bit cranky at times. Unfortunately, the one time I completely lose my cool is in front of the hottest girl I've ever met. I've got my work cut out for me if I'm going to fix this. But I will fix this. I'll be anything Laney Monroe needs me to be: a superhero, a prince, or just a guy she might take a chance on. If you like Penny Reid and Rachel Van Dyken, you'll love The Fix!
