Secret has been kidnapped, and Fackz is determined to rescue her. How will Secret deal with finding out about all the snakes that look forward to her demise? Fackz "Get your ass out the car, bruh," I told her. She got out slow as hell but, she was getting out, that's for damn sure. I held my hand on her lower back as we entered the house. It's clear that Fackz is not ready to let Secret sabotage what they could build together. Ficktion and Van have experienced a great blow to their relationship, Ficktion is determined to show Van that there is more to their relationship than her being pregnant, and he is determined to share that "Happily Ever After" with her. Ficktion "Cuz, your ass is straight bugging, that's why. I don't know what the hell you thought was going on, but umm, we together. That's not gonna change until one of us dies. Fuck all that other shit you're talking. I'm only gonna have one baby mama, and tag, you're fucking it." Nothing is for sure when your receiving "Forbidden Love From A Savage."
