What's preventing you from teaching Latin in your homeschool or learning it on your own? If you're intimidated because you've never studied Latin, bewildered by traditional Latin books that move too fast, or just don't know where to begin, then *Getting Started with Latin* is for you! Specifically designed to overcome these types of obstacles, *Getting Started with Latin* is divided into simple lessons that explain the fundamentals of Latin grammar in a way that anyone can grasp. Instead of burying you in mountains of information to memorize, new words and concepts are introduced in a gradual and systematic way. You can immediately apply what you've learned by translating the fun exercises at the end of each lesson. Quickly check your work by turning to the included answer key. To hear the words pronounced, simply download the free recordings from www.GettingStartedWithLatin.com. For additional help and instruction, the author has provided extensive audio commentary recordings that teach through every lesson and exercise in the book. With everything you need here in one book, why aren't you *Getting Started with Latin*?
