Named to the American Library Association's Reference & User Services (RUSA) Listen List! Combining the emotional depth of *The Art of Racing in the Rain* with the magical spirit of *The Life of Pi*, *Lily and the Octopus* is an epic adventure of the heart. When you listen to *Lily and the Octopus*, you will be taken on an unforgettable ride. The magic of this novel is in the listening, and we don't want to spoil it by giving away too many details. We can tell you that this is a story about that special someone: the one you trust, the one you can't live without. For Ted Flask, that someone special is his aging companion, Lily, who happens to be a dog. *Lily and the Octopus* reminds us how it feels to love fiercely, how difficult it can be to let go, and how the fight for those we love is the greatest fight of all. Remember the last book you told someone they had to listen to? *Lily and the Octopus* is the next one.
