An instant New York Times bestseller and the follow-up to the mega-hit *Kitchen Confidential* In the ten years since Anthony Bourdain's classic *Kitchen Confidential* first alerted us to the idiosyncrasies and lurking perils of eating out, much has changed for the subculture of chefs and cooks, for the restaurant business-and for Anthony Bourdain. *Medium Raw* tracks Bourdain's unexpected voyage from journeyman cook to globe-traveling professional eater and drinker, and even to fatherhood, in a series of takes-no-prisoners confessions, rants, investigations, and interrogations of some of the most controversial figures in food. Beginning with a secret, highly illegal after-hours gathering of powerful chefs that he compares to a mafia summit, Bourdain pulls back the curtain-but never pulls his punches-on the modern gastronomical revolution. Cutting right to the bone, Bourdain sets his sights on some of the biggest names in the foodie world, including David Chang, the young superstar chef; the revered Alice Waters; the *Top Chef* contestants; and many more. *Medium Raw* is the deliciously funny, shockingly delectable result, sure to delight philistines and gourmands alike.
