A hunky quarterback, a debutante, and the merger that might forever keep them apart ... Emerson Stein has no intention of marrying billionaire Finley Landers just so her daddy's merger will go through, no matter how much of a hissy fit her mama throws. When she skips out of a high-profile barbecue to barrel race at a rodeo, she never expects to meet Riker Dylan, the new starting quarterback for the Titans. With his startling blue eyes, easy smile, and boyish charm, Riker turns Emerson's head and sends her pulse racing to the stars. Too bad she chews him out and punches him in the gut. Growing up just outside Dallas, Riker Dylan never imagined he'd get the chance to play football for the Titans. An unexpected encounter with a copper-haired beauty puts him on an uncharted path. Why does he get the feeling there's more to her than meets the eye? When the stakes get impossibly high, will Emerson have the courage to choose her own path to be with the man she loves, or will the family pressure prove to be too great?
