With 1,000 adventures for all ages, it's never too soon or too late to begin the things you've only dreamed of doing. We all have things we'd like to do: day work, family, school, money, and responsibilities get in the way. This invaluable guide to fun, fantastic, and life-affirming activities features an eclectic range of ideas such as self-improvement, sports-related endeavors, natural wonders, cultural experiences, culinary delights, and more. From glassblowing in the Czech Republic to swimming with dolphins in New Zealand, The Bucket List is the perfect gift for the passionate traveler: around-the-world, continent-by-continent listing of beaches, museums, monuments, islands, inns, restaurants, mountains, and more. Each activity is location-specific and as geographically unique as bird-watching in Kenya or driving through clouds in Sri Lanka, as well as other to-dos that can be done anywhere, such as sketching a sunset behind an architectural monument. In addition to classic outdoor pursuits, the book contains advice on how to achieve some of the most popular goals for people of all ages: direct a movie, learn to play an instrument, make pottery, protect an endangered species, name a star, try a new cuisine, or learn a new language. Whether you are more active or laid-back, serious-minded or lighthearted, you are bound to discover new,

stimulating activities.
