The heart-racing second book of The Child Thief series. After the night's shocking events, Robin, Jace, and their team find themselves thrust into a race for their lives. Robin never could have imagined that things would go so wrong. Never could have dreamed that they would find what they found within that innocuous-looking building. And now it's too late: they've seen what they've seen, and there is no time to talk. No time to even think. Not with the caliber of people who are now on their trail. Fleeing is their priority—but even if they escape, it's uncertain whether they will ever truly be free. Because there's one thing Robin and her comrades can now count on: the deeper they dig in this strange world that was once called "the United States," the darker the shadows become... Pre-order now!*Beware of spoilers in the reviews below that are without spoiler alerts*
