There comes a time in a lady's life when she needs to take matters into her own hands...A Scheming MinxEmily Goodnight, a curiously smart bluestocking – who cannot see a thing without her blasted spectacles – is raising the art of meddling to new heights. Why leave her future in the hands of fate when she's perfectly capable of managing it herself?An Apathetic RakeThe Earl of Blakely, London's most unattainable bachelor, finds Miss Goodnight's schemes nearly as intriguing as the curves hidden beneath her frumpy gowns. Secure in his independence, he's focussed on one thing only: evading this father's manipulating ways. In doing so, ironically, he fails to evade the mischief of Emily's managing ploys. Hell's Belle IndeedWhat with all the cheating at parlor games, trysts in dark closets, and nighttime flights to Gretna Green, complications arise. Because fate has limits. And when it comes to love and the secrets of the past, there's only so much twisting one English Miss can get away with... Hell's Belle is the third book in the Devil's Debutantes Series but can also be read as a standalone novel.
