From Wall Street Journal bestselling author J. S. Scott. Dante Sinclair never cared about his family's money. All the ultra-sexy billionaire ever wanted was to be a cop; and now that he's a homicide detective in Los Angeles, he's a damn good one. But when he is injured and loses his partner in the line of duty, he returns to his vacation home in Amesport, Maine, to recover. With a mouth as dangerous as the streets he protects, Dante knows no one can ever heal or tame him. Sarah Baxter, a brilliant young doctor still struggling with her stifled upbringing, has recently moved from Chicago to sleepy Amesport to escape her past, hoping to find peace. When Sarah is assigned to Dante's case, there's an instant heat between them. They couldn't possibly be more different, yet their intense passion is impossible to ignore. As burning desires awaken within Sarah, her haunted past returns, threatening her once again. Can Dante overcome his grief and unravel the secrets Sarah is hiding in time to protect and rescue her?
