

# [GET] Life Without Ed: How One Woman Declared Independence from Her Eating Disorder and How You Can Too

**CONTINUE ►**

Jenni had been in an abusive relationship with Ed for far too long. He controlled Jenni's life, distorted her self-image, and tried to physically harm her throughout their long affair. Then, in therapy, Jenni learned to treat her eating disorder as a relationship, not a condition. By thinking of her eating disorder as a unique personality separate from her own, Jenni was able to break up with Ed once and for all. Inspiring, compassionate, and filled with practical exercises to help you break up with your own personal E.D., Life Without Ed provides hope to the millions of people plagued by eating disorders. Beginning with Jenni's "divorce" from Ed, this supportive, lifesaving book combines a patient's insights and experiences with a therapist's prescriptions for success to help you live a healthier, happier life without Ed. This 10th anniversary edition features a new afterword as well as sections devoted to family, friends, and supporters; how treatment professionals can use the book with their patients and men with anorexia.
